6 When a link in the mail is clicked, registration is completed. ※ A mail of the temporary completing registration is sent.

7 The customer's registration information is confirmed by a gas company. ※ It takes several days for confirmation.

8 After customer information confirmation, a mail of the completing registration is sent.

That's it and an application is

お申し込み後の流れ

1 It's with a e gas ticket more than the month charge a gas company designates. You can pay the bill.

2 If the amount charged is fixed, a "of a gas charge, news" mail is sent in a gas company appointed date.

※ The billing date (mail day of sending a message) is different depending on customers. Please contact a gas company for more information.

3 News of a gas charge a link is indicated on a mail. Trout. I access and choose a method of payment ahead of the link.

1. Payment with a credit card (automatic transfer after the next month)
2. Payment with a credit card (only this time)
3. Convenience store settlement, PEIJI (ATM net banking) and Eddy

4 After payment confirmation, the payment of a gas charge "was confirmed". A mail is sent.

About e gas ticket service application method.
